- Boats that can be pushed by hand are permitted to leave on Sunday starting at 7 p.m. All electrical power to boats will be shut down at 6:00PM on Sunday. Please make sure that all equipment is powered off prior to 6:00 pm to avoid any delays.

SUNDAY EVENING PROCEDURES

- All exhibits must remain staffed and intact until the official show closing (6:00 pm, Sunday, March 3). At this time, aisle carpeting will be removed and the exhibit floor will be prepared for the return of empty crates. It will take approximately four to six hours to return all empty crates to all exhibitors.

- Exhibitors may “hand-carry small items” (without the use of hand trucks or dollies) when leaving Sunday evening, but must show their Exhibitor Credential (and/or personal identification upon request) before exiting and re-entering.
- VISTA will not load outbound carriers after on Sunday. Be sure to stop by the VISTA Service Desk, prior to move out and complete a bill-of-lading if you are shipping from the AC Center. Please contact your carriers to arrive Monday morning **March 4**.
- Keep in mind labor for dismantling displays is required. Please visit the VISTA Service Desk to order labor.
