

Discover Boating Center

The 2017 New England Boat Show will be offering the “Affordable Boats” promotion. This year there will be limited space. Please get your application in to us as soon as possible.

The criteria for participating boats are as follows:

- All boats must be NMMA Certified.
- The consumer must be able to purchase the boat for \$250.00 per month (or less) with a standard (10 – 20%) down payment.
- The New England Boat Show will provide the signage (22” x 28” poster board) for each boat which will be displayed on an easel adjacent to each boat.
- We will assign the booth location, for each boat, based on the most efficient use of the booth area available.
- All boats must be displayed on a trailer. No sales staff allowed to man the boats.
- We will not require a photo of the boat as the boat will be on display.

Please complete the form below with all the information we are requesting. This form is in “Word Document” so you can use the edit tool to complete the form online and e-mail the completed form to Mary Steen msteen@nmma.org no later than January 12th 2017.

Manufacturer _____ Model _____ Length _____
