

List of ICOMIA Standards available from ICOMIA online library:

7 – 88 Flotation, Seating and Load Capacity

13 – 83 Motorwell dimensions

27 – 97 Lubricating Oil for two stroke Cycle Marine Engines – Reduced Environmental Impact

28 – 83 Ballast Keel Attachment

33 – 84 Inflatable life rafts for recreational craft

Part 1: General requirements

Part 2: Materials

34 – 88 Test procedure for the measurement of exhaust emission from marine engines

35 – 85 Hull identification – numbering system

36 – 88 Marine engine duty cycle

38 – 94 Small craft – measurement of human exposure to hand-transmitted vibration from tiller handle operated outboard motors

39 – 94 Small craft – measurement of duty cycle operator sound pressure level

41 – 94 Small craft – measurement of sound pressure level of airborne sound emitted by powered recreational craft

45 – 98 Reference Boat Concept

46 – 98 ISO 14509 – Sound level measurement procedures for recreational craft per Directive 94/25/EC

47 – 98 ISO 14509 Screening test – Sound level measurement procedure for recreational craft per Directive 94/25/EC

48 – 11 Small craft – Measurement of fuel consumption

(Numbering unspecified): ICOMIA Technical Guideline: Minimum Acceptable Finish and Appearance for Super Yacht Gloss Coatings
