INFORMATION LABELS

EPA EVAP Label*

(Product Code: EPAEVAP)

Emission Control Information Labels are required for all boats Model Year 2010 and later: these labels appear on the boat's helm and confirm compliance with EPA-mandated evaporative emission standards as outlined in the October 2008 rulemaking. Generic labels are not permitted.

The NMMA label has been approved by the EPA; this semi-custom label includes the manufacturer's name and location. Label measures: 3.5" x 1".

\$1.15 each, plus S&H

Please allow 4–6 weeks for delivery

**Minimum of 100 labels*

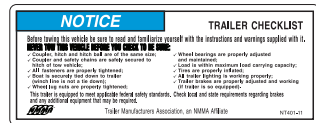

Trailer Checklist

(Product Code: TRAILCKLIST)

Trailer decal; lists nine important checks to conduct before towing a boat.

\$20/50, plus S&H

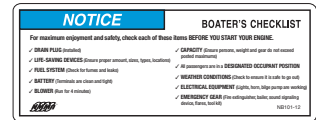

Boater's Checklist

(Product Code: BOATCKLIST)

Decal lists 10 important checks to be made before starting the engine. Post near helm.

\$20/50, plus S&H

Trash Overboard Label

(Product Code: TRASHOVRBRD)

An owner/operator label for boats 26 feet or longer as required by Annex V of the MARPOL Treaty. Actual dimensions: 9.5" x 4"

\$40/50, plus S&H

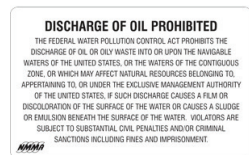

"Oil Discharge" Label

(Product Code: OILDISCH)

A carriage requirement for boats 26 feet or longer, as required by Annex V of the MARPOL Treaty.

\$40/50, plus S&H

INFORMATION LABELS

Certified Stickers

Promote your NMMA Certified status by proudly displaying this label on your boats and boat trailers. Fade resistant, two-inch wide round decals, available only to NMMA certified manufacturers.

Trailer Label

(Product Code: CSTICKTR)

High quality full color decal

\$20/100, plus S&H

Boat & Yacht Label

(Product Code: CSTICK)

High quality full color decal

\$20/100, plus S&H

Boat & Yacht Label

(Product Code: CSTICKDLX)

1/16" thick three-dimensional liquid decal

\$66/60, plus S&H

SAFETY LABELS

CO & Prop Label Sheet

(Product Code: COPRP)

Sheet combines the two CO labels (Transom and Helm) and the two Propeller Warning labels (Transom and Helm) required by ABYC H-41 and NMMA Certification. Each sheet contains one of each label and indicates the placement for each.

Less expensive than purchasing labels individually.

\$70/50 sheets, plus S&H

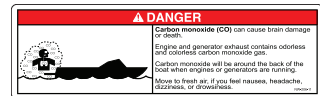

CO Transom Label (NW 206)

(Product Code: COTRANSOM)

Required on all boats sold in the State of California in accordance with AB2222.

Reads "Carbon monoxide (CO) can cause brain damage or death. Engine and generator exhaust contains odorless and colorless carbon monoxide gas. Carbon monoxide will be around the back of the boat when engines or generators are running. Move to fresh air if you feel nausea, headache, dizziness, or drowsiness."

\$20/50, plus S&H

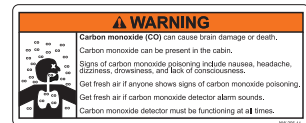

CO Cabin Label (NW 205)

(Product Code: COCABIN)

Reads "Carbon monoxide (CO) can cause brain damage or death. Carbon Monoxide can be present in the cabin. Signs of carbon monoxide poisoning include nausea, headache, dizziness, drowsiness, and lack of consciousness. Get fresh air if anyone shows signs of carbon monoxide poisoning. Get fresh air if carbon monoxide detector alarm sounds. Carbon monoxide detector must be functioning at all times."

\$20/50, plus S&H

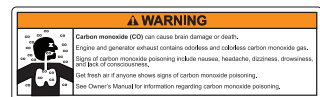

CO Helm Label (NW 204)

(Product Code: COHELM)

Required on all boats sold in the State of California in accordance with AB2222.

Reads "Carbon monoxide (CO) can cause brain damage or death. Engine and generator exhaust contains odorless and colorless carbon monoxide gas. Signs of carbon monoxide poisoning include nausea, headache, dizziness, drowsiness, and lack of consciousness. Get fresh air if anyone shows signs of carbon monoxide poisoning. See Owner's Manual for information regarding carbon monoxide poisoning."

\$20/50, plus S&H

Prop 65 Hang Tag

(Product Code: PROP65TAG)

Flexible plastic hangtag required for all boats sold in the State of California in accordance with Prop 65.

\$18.75/25, plus S&H

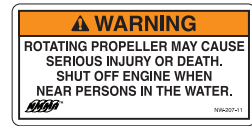

SAFETY LABELS

Prop Helm Label (NW 207)

(Product Code: PROPHELM)

Required in ABYC H-41. It reads "Rotating propeller may cause serious injury or death. Shut off engine when near persons in the water."

\$18/50, plus S&H

Prop Transom Label (NW 208)

(Product Code: PROPTRANSOM)

Required in ABYC H-41. It reads "Rotating propeller may cause serious injury or death. Do not approach or use ladder when engine is running."

\$18/50, plus S&H

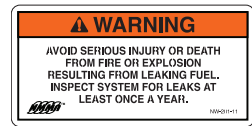

Fuel System Warning

(Product Code: FUELSYS)

Reads: "Warning: Avoid serious injury or death from fire or explosion resulting from leaking fuel. Inspect system for leaks at least once a year."

\$18/50, plus S&H

Deck Rail Warning

(Product Code: DECKRAIL)

Reads: "Warning: Avoid personal injury. Stay inside deck rails (and gates) when boat is underway."

\$18/50, plus S&H

Flammable Liquids

(Product Code: FLAMMABLE)

Reads: "Warning: No ventilation is provided. Fuel vapors are a fire and explosion hazard. Do not store fuel or flammable liquids here." For posting in unventilated compartments where portable fuel tanks should not be stored.

\$18/50, plus S&H

CAPACITY TAGS & YACHT PLATES

Aluminum Capacity Plates* (Product Code: CPALUM)

ADHESIVE & RIVETED Capacity Plates.

For boats smaller than 26-ft. and pontoon boats.

Min. Order Size	Price
25 (per model)	\$6.50 each

Each order is subject to a \$25.00 per model set-up charge.

Please allow 4–6 weeks for delivery; rush fee may apply.

Aluminum Yacht Plates* (Product Code: CPALUMYACHT)

For yachts 26-ft. and larger.

Min. Order Size	Price
10	\$6.50 each

Set up fee: \$35.00 per model.

Please allow 4–6 weeks for delivery; rush fee may apply.

Mylar In-House Capacity Tags* (Product Code: CPINHOUSE)

For boats smaller than 26-ft. and pontoon boats.

Order Size	Price
1–25	\$1.00 each

Note: In-house tags not available with over-laminate or EPA statement

Each order is subject to a \$25.00 per model set-up charge.

Rush charge of \$50.00 per model.

Mylar Capacity Tags* (Product Code: CPCOMPUTER)

For boats smaller than 26-ft. and pontoon boats.

Min. Order Size	Price
50 (per model)	\$1.05 each

Please allow 4–6 weeks for delivery; rush fee may apply.

Each order is subject to a \$25.00 per model set-up charge.

Minimum order 50 per model.

* Current NMMA Certification Master Model list model ID number required when placing order

CAPACITY TAGS & YACHT PLATES

PWC Certification Labels

(Product Code: CPPWC)

Order Size	Price
100–249	\$5.61 each
250–499	\$2.45 each
500–749	\$1.38 each
750–999	\$0.99 each
1,000–2,499	\$0.80 each
2,500–4,999	\$0.45 each
5,000–9,999	\$0.35 each
10,000–49,999	\$0.27 each
50,000–99,999	\$0.21 each
100,000 & more	\$0.20 each

Each order is subject to a \$30.00 per model set-up charge.

Please allow 4 weeks for delivery.

Minimum order 100 per model, no blanket P.O.s accepted.

Canadian Capacity Labels

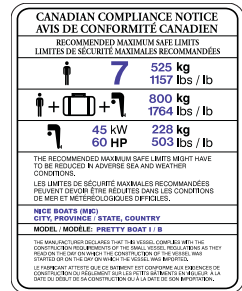

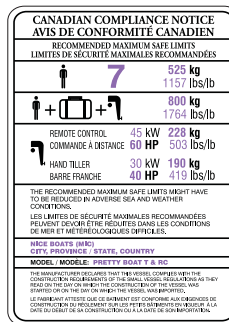

Adhesive mylar capacity and compliance labels for boats sold in Canada.

Available in four types:

- Sterndrive/Inboard (up to 6 metres)
- Outboard (up to 6 metres)
- Outboard with Remote Steering Option (up to 6 metres)
- Compliance label (craft 6 metres and greater)

“KNOW MORE ABOUT IT” BROCHURES

Informational brochures are a great addition to owners’ manuals and boat owners information packages. Developed by marine industry professionals, each publication includes important contact information and additional information resources.

Green Boating

(Product Code: GRNBROCH)

Eco-friendly boating tips; covers equipment maintenance, fuel spillage prevention, aquatic hitchhikers, trash stowage/recycling, and more.

\$20/100, plus S&H. Free sample available by request.

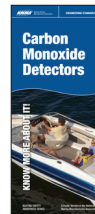

Carbon Monoxide Detectors

(Product Code: CODETECTOR)

Discusses Carbon Monoxide (CO) Detection systems onboard boats, offering tips for making sure the system is working and maintained properly, and what to do if the alarm goes off. This brochure is a must-have for consumers and recommended to be included with all boats.

\$20/100, plus S&H. Free sample available by request.

You're in Command

(Product Code: COMNBRO)

This USCG brochure explains boat owner/operator responsibilities, including topics such as life jacket use, boating safety courses, vessel inspections, collision avoidance and several other areas. This publication is a must have for boat owners and recommended to be included with all new craft.

\$15/50, plus S&H. Free sample available by request.

Propeller Safety

(Product Code: PROPBROCHURE)

Describes dangers of propeller strikes and lists safety checks and measures to ensure propeller safety while boating.

\$20/100, plus S&H. Free sample available by request.

Carbon Monoxide Poisoning

(Product Code: COBROCHURE)

Outlines the dangers of carbon monoxide gases emitted from gasoline engines. It advises how to avoid CO poisoning and identifies measures a boat owner can take to avoid the effects of CO.

\$20/100, plus S&H. Free sample available by request.

“KNOW MORE ABOUT IT” BROCHURES

Electrical Shock Hazards

(Product Code: ELECSHOCK)

Describes hazards associated with dockside power on a boat. Also explains proper handling of electrical cable and practices in and around the dock electrical hookup.

\$20/100, plus S&H. *Free sample available by request.*

Marine Fuel Systems Safety

(Product Code: FUELSAFETY)

Describes the inspection and maintenance of gasoline fuel systems onboard boats.

Also includes tips on hazard avoidance, a pre-departure safety checklist and annual inspection guidelines.

\$20/100, plus S&H. *Free sample available by request.*

Towed Watersports Safety

(Product Code: WATERSKI)

Outlines proper ski etiquette, proper signals, and safe boat handling while towing skiers.

\$20/100, plus S&H. *Free sample available by request.*

BROCHURES

You and Your Boat Trailer (Product Code: YTT)

A guide to boat trailer ownership, maintenance and operation; contains detailed descriptions of the trailer and its components, instructions and tips for towing and launching, and other information relevant to boat trailers and the unique marine environment in which they operate.

\$35/50, plus S&H.

OWNER'S MANUALS

Comprehensive, easy-to-understand publications, written specifically for recreational boaters, are designed to help your customers operate your craft with safety and pleasure. Each version includes sections on Safety, Navigation, Environmental Considerations, Emergency Procedures, Seaworthiness/Operational Inspection, Operation, Maintenance, Systems, and Trailing. We recommend that craft owners read the manual carefully, and familiarize themselves with the craft before operating it.

Available for four classes of boats:

- Runabouts (Propeller & Jet Drives)
- Fishing & Skiing
- Sportfish/Cruiser/Yachts
- Pontoon/Deck Style

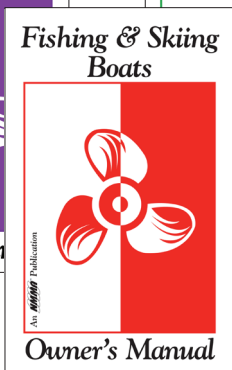

Translation Insert: French, German, Italian and Spanish translations of critical sections of the NMMA Owner's Manual, all in one supplement.

Owner's Manuals: \$5.50 per copy, plus S&H Translation Inserts: \$3.50 each, plus S&H

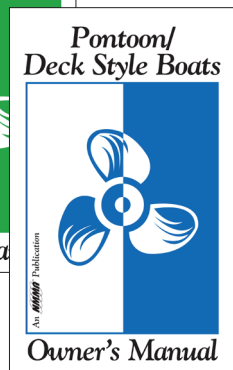

Product Code: OM RUNABT

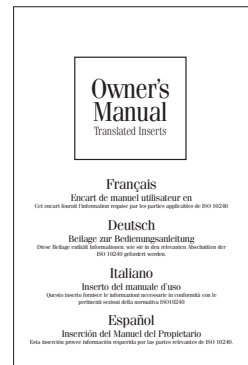

Product Code: OM SPORT

Product Code: OM FISH

Product Code: OM PONTOON

Product Code: OM MULT

ORDERING INFORMATION

Prepayment may be required based on the quantity and nature of your order.

Quantity orders require a written fax, mailed or e-mailed purchase order and are subject to shipping and handling (S&H) charges that will be added to your bill. All prices are subject to change; all items are subject to availability.

To place an order, please contact:

The National Marine Manufacturers Association (NMMA) represents more than 1,600 manufacturers of boats, engines and accessories. NMMA Members produce approximately 80% of the marine products used by recreational boaters and anglers in the United States.

NMMA funds a wide range of programs that promote recreational boating and encourages responsible use of our natural resources.

The association also produces 18 leading consumer boat shows and two premier industry trade shows annually.

To learn more about NMMA (and Membership eligibility requirements), please contact Membership Services at 312.946.6200

To learn more about NMMA's Certification programs contact the Engineering Standards Department at 312.946.6200
